## SPONSORS

An unrestricted educational grant has been provided

by the following departments:

**Anesthesia, McMaster University**  
**Medicine, McMaster University**  
**Surgery, McMaster University**  
**Medicine, St. Joseph's Healthcare.**

And following companies:

# May 24th, 2008

Royal Botanical Gardens,  
680 Plains Road West, Burlington, Ontario

## OBJECTIVES

At the end of the conference the attendee will be able to:

- Assess perioperative cardiac, pulmonary and thromboembolic risk using current prediction guidelines, algorithms and evidence-based medicine.
- Redefine perioperative B blocker using data from POISE study.
- Understand predisposing and precipitating factors of postoperative cognitive dysfunction and implement predictive and preventive strategies.
- Gain surgical insights and perioperative management of patients for Bariatric Surgery.
- Discover the latest in Endovascular procedures designed to minimize perioperative risks.
- Learn management of diabetic patients and the new endocarditis prophylaxis guidelines.

## TARGET AUDIENCE

- Anesthesiologists, General Internists and Internist Subspecialists, Surgeons, Family Practitioners, Hospitalists
- Nurses, Respiratory Therapists, Anesthesia Assistants and Allied Health Care Professionals who manage patients in the perioperative period.
